## **Astrological Compatibility**

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years. This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship. Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

## **Report for John Lennon**

### **How You Approach Relationships**

You love to communicate with other people, whether by talking, writing, gossip -- you name it. You tend to ignore all that is awkward or gauche, and stick to what is light and uplifting. You are always on the move, and are easily bored by situations. Perhaps you have an inner fear of being a lightweight, of being superficial, and spending too much time on nonessentials. You love to be drawn into really deep conversations by a partner, and staying up all night talking about life is your idea of living. Your partner tends to be the center and rock around which you base your operations.

*Sagittarius on 7th Cusp*

You like others who are educated and world-wise. You may value them for their philosophical or religious views, and may have a tendency to assume the role of a student when you are around them. You tend to use most relationships as learning experiences, and you're attracted to authority figures and partners with good common sense. You may tend toward older individuals.

*Jupiter Ruler of 7th*

## Report for John Lennon Strengths in your relationships

You love to talk and write, and you probably do so beautifully. Your sense of color, harmony, manners, and all that is artistic, is beyond reproach. You know quality, and people love to let you pick out art or arrange color schemes for them.

*Mercury Sextile Venus (orb: 00 22')*

You love to lose yourself in your latest dream, whether it be a person or a project. You find it easy to be caught up in images -- dreams, psychology, metaphysics, cinema, etc. You probably love movies -- anything that flicks on the silver screen. You may be an artist and you certainly run with an artistic crowd. You are charming to the point of being enchanting. Very idealistic.

*Venus Conjunction Neptune (orb: 00 54')*

You have a fantastic imagination and are somehow tuned into what we all dream of at the deepest levels. The dream worlds, the more eternal thoughts of mankind, come easy for you, and you would be a convincing speaker on occult, metaphysical, and religious subjects. The way you talk about the intuitive and imaginative realms is very moving to others. You are able to put into words the sense of unity that we all know exists in the world but can't always keep in mind. You could be a fine poet or musician, especially a composer.

*Mercury Sextile Neptune (orb: 01 17')*

You are comfortable with your sexual identity, and tend to be emotionally well balanced. There is a natural rhythm in the way you handle the day-to-day problems of work and play, with the result that you are capable of sustained effort. These same qualities affect your relationships too. They tend to be harmonious and long lasting.

*Moon Conjunction Sun (orb: 02 41')*

You value independence in others, especially a lover. They must have some unique quality for you to take an interest. Your taste in friends runs to the unconventional. You appreciate variety in all things and are delighted when a partner comes up with a new and different way to get your attention. You don't like to be tied down. You probably have a penchant for inventions, electronics, and new-age technology.

*Venus Trine Uranus (orb: 02 48')*

Very sensitive areas of conversation that might intimidate most (taboo subjects, etc.) don't bother you at all. You always persevere and keep right on investigating. You are expert at getting straight to the heart of things, and would make a super sleuth, or researcher. The deeper a secret is buried, the more likely it is that you will turn it up. And when it comes to money, sex, and other highly charged issues, pity anyone who tries to manipulate you. That's your bailiwick, and there are very few who can stand to argue with you.

*Mercury Trine Pluto (orb: 06 20')*

## Report for John Lennon Challenges in your relationships

You have always felt vulnerable when deep emotional issues are brought up, and may have a history of avoiding confrontation and self-examination. You are ever so sensitive to ideas of death, helplessness, and vulnerability in general. You see them only too well, and they haunt you. There may well be some childhood experiences that were rough or harsh for you to accept. Any partner will have to tread very gently when it comes to matters of feelings and security. You may tend to dominate a relationship, but without success.

*Moon Square Pluto (orb: 00 08')*

You may have an inordinate fear of dying or confrontation, for there is a part of you that resists change and tends to put off getting down to the real heart of a problem and clearing it up. This attempt to avoid confrontation may find you involved in one power struggle after another when it comes to personal relationships. All of this creates a lot of energy that you carry around with you. Working it out takes patience and great care. You tend toward explosions and may have strong disagreements with authority figures.

*Sun Square Pluto (orb: 02 49')*

Everyone can testify to your brilliant mind, but most would also find you somewhat erratic and unpredictable. You don't always have the follow-through you pretend to have. You tend to change your mind in the middle of a project and go rushing off in some new direction. You are to some degree the victim of your own whims. You have trouble finding practical uses for your plentiful insights.

*Mercury Opposition Uranus (orb: 03 11')*

You have a tendency, or perhaps a knack, for ignoring good advice. More than once you have found yourself at odds with the correct, or prescribed, way of doing things. This could manifest in a problem with authority figures. For example, you may tend to disregard the suggestions of an authority figure, perhaps your father. You have trouble doing just a little, and tend to be extravagant.

*Sun Opposition Jupiter (orb: 03 56')*

Often, through no fault of your own, you find yourself at odds with authority, the law, and conventions in general. Maintaining a good self-image may be difficult. There is a tendency to leave things unfinished, or to not do a thorough job. Success for you comes thru hard and precise work. You need a partner who will work with you while you find your own way.

*Sun Opposition Saturn (orb: 04 29')*

You may have to cut your own way when it comes to a career, for you may not always get the kind of support you need from others. The result may be that you end up with a very unusual vocation. Probably not much interested in working with the public, either. Your partner will have to understand that you are

not likely to follow the crowd, and be willing to let you find your own way. Getting things started and off the ground may be harder for you than for most.

*Moon Opposition Jupiter (orb: 06 37')*

You don't have much faith in people seeing what is good about you on first meeting. You want to do something for them, somehow show them by action and work what you are really about. You are never a lightweight, for you take feelings very seriously. Sometimes you can't help but be a party-pooper. You won't just let your feelings out without examining them. Contact with others may have the effect of putting them in touch with their more serious side. Some may see you as religious or meditative.

*Moon Opposition Saturn (orb: 07 10')*

## Report for John Lennon Your Relationship with Yoko Ono

The two of you may work together in the public eye. From the very first, you saw that she was a natural complement, and you knew that you could always count on her support. You might actually form some kind of business partnership. She seems to respond to your every mood. There is real harmony between the two of you. Others could come to depend on your relationship for reasons of their own.

*Her Moon in Your Seventh House*

The two of you probably met as part of a group that shared some common interest. Yoko struck you as a peer, an equal who shared perhaps the same new-age way of seeing things that you do. You have both had the same vision, a common dream, and probably share a mutual resolve to see that those dreams happen. There is a sense of a brave new world about this friendship. The two of you standing on the edge of the future. She represents the way you feel relationships should be. There is a feeling of doing the right thing, what ought to be done, even at the expense of a little warmth.

*Her Sun in Your Eleventh House*

You find that Yoko is a fair and open person, and your conversations with her tend to focus on humanitarian and global concerns. There is always a high tone to your talks, and you both bring the best out in each other. You may tend to agree on goals and social/political issues, or be part of some larger group's work. There is a mental and intellectual bond between you that could result in a partnership involving speaking or writing.

*Her Mercury in Your Eleventh House*

You always end up being the authority when the two of you get together. She has a true appreciation for your skills and abilities. In Yoko's eyes, you have the wisdom and practical good sense that she yearns for. There is a tendency for her to assume the role of a student or apprentice. She can't help but promote your stature and career, and loves to be seen in public with you. You are an important figure in her life.

*Her Venus in Your Tenth House*

Yoko is a living incentive for you to get out of yourself and do things. Things get very physical, and this runs all the way from good sex to physical activity in general. There is a fresh, almost childlike, quality to your relationship. You feel strength and perhaps are proud of how good you feel about yourself when you are with her. There is the danger of too much of a good thing. The whole thing could get a little self-centered.

*Her Mars in Your Fifth House*

Yoko tends to lead you out of yourself, and urges you to make greater efforts, to reach out and express yourself. You may overdo. Certainly she is a key

person as regarding how you view and feel about yourself. Through her you have come to experience more confidence and happiness. You are proud to be with her and, most of all, she is just fun to be with. Children and animals are two things you share. There may be a tendency to spend all at once. You feel creative and artistic around her.

*Her Jupiter in Your Fifth House*

She may help to crystalize your career goals. Her no-nonsense approach could make or break you. She has a natural sense of authority that you respect and might confuse with a parental figure. If you need discipline in career direction, good. If not, you may find this relationship disappointing and even depressing. You will always get good advice, perhaps not warmth and appreciation.

*Her Saturn in Your Tenth House*

She may be responsible for introducing you to new ideas about forbearance and patience. Her insights into your psychology, as well as mankind's, are worth taking a very careful look at. Yoko has an unusual ability to put you in touch with your own sense of compassion and love for other people. She can offer new solutions that could help you cross beyond a lot of petty doubts and fears, and find a deeper commitment to truth and goodness. She brings out the saint in you.

*Her Uranus in Your Twelfth House*

There is a sense of romance and mystery with Yoko. Your love assumes almost ideal proportions, and you both tend to get transported to some very fine states of mind. Music, poetry, art... creative expressions of all kinds seem to get a lift. Everything seems to be in synch. This is almost a storybook romance. You may tend to be carried away from time to time. You love the movies.

*Her Neptune in Your Fifth House*

Knowing Yoko can have a revolutionary effect on your thinking processes. The two of you probably have intense and passionate conversations that cut through the mundane and get right to the nitty-gritty. She is challenging, and it is more likely that there are arguments than not. She can see through any pretense and knows just how it is with you. Your speaking, thinking, and writing habits may undergo a major transformation from her influence.

*Her Pluto in Your Third House*

You are always 100% behind Yoko. You would make a great campaign manager, and this could also be a good business partnership. You can't help but be supportive of her needs, and she feels that she can always count on you.

*Your Moon Trine Her Sun (orb: 05 05')*

Yoko is very supportive of your ambitions and drive. She urges you on to perform at your very best. There is a lot of energy between you, and this could be a very productive relationship for you both.

She finds you willing and able to discuss even the most sensitive, personal, and psychological issues. This could be a fine business relationship because both of you can concentrate on the essentials.

*Your Mercury Trine Her Pluto (orb: 06 22')*

This is an easygoing relationship with plenty of give and take on both sides and very little friction. There is a tendency to identify with one another, and you

## **Report for John Lennon**

There may be some problems in communication. You may find it difficult to talk with Yoko, or attempts at communication end up in a standstill. Her attitude and manner may leave you feeling frustrated, unable to communicate.

*Your Mercury Square Her Sun (orb: 01 23')*

*Your Sun Square Her Saturn (orb: 02 35')*

Sudden outbursts of temper and unusual emotions may color this relationship. Your inner drive and feelings may tend to go against her need for independence and freedom.

*Your Mars Opposition Her Uranus (orb: 04 17')*

You may find her somewhat repressive of your feelings. She manages to put a damper on you every time you get to feeling good and comfortable. There is no way you will support this side of her, and this could lead to a real standoff.

*Your Moon Square Her Saturn (orb: 05 16')*

Power struggles are likely, as well as harsh feelings. Your drive and ambition may tend to ignore her need for confrontation and analysis. You may refuse to face sensitive issues. This is a very emotional, and possibly explosive, relationship.

## **Report for Yoko Ono**

### **How You Approach Relationships**

You're a real smoothie, refined and ever so facile when it comes to handling other people -- a diplomat. And yet -- despite all of this apparent calm -- you like your partners anything but cool. You can't resist impulsive and action-oriented people -- the more daring, the better. You bring out the recklessness in those you love, and you love it. Although at first meeting one might never suspect this, you love to walk on the wild side.

*Aries on 7th Cusp*

Relationships tend to be hot and heavy. You are drawn to partners who are aggressive, assertive, and very emotional. Independence and adventure are things you value in others. You tend to depend on your partners to get you motivated and keep you moving. You need someone who is stimulating emotionally.

*Mars Ruler of 7th*

You will find yourself involved in unusual relationships, or your partner will be unusual. Relationships will be a continual source of inspiration and freedom. They will always be taking unexpected twists and turns. The partners you choose tend to be unique and very independent or self-absorbed. Inventors, technicians, and computer-related persons may figure in your social life either as partners or friends.

*Uranus in 7th House*

## Report for Yoko Ono

### Strengths in your relationships

Others soon learn how responsible you are, and that they can depend on you for real support. Sure, you are perhaps a little too organized and run more cool than hot, but you really do care and never let your friends down. Whatever you do is built upon a solid foundation, and that includes relationships. Too serious? Aloof? Perhaps, but you are loyal, dependable, and don't enter into relationships lightly.

*Moon Sextile Saturn (orb: 01 23')*

People just naturally love you, perhaps because they sense that you really care for them too. This amounts to more than just a minor talent. You have lots of friends, and many relationships. You're just fun to be around. You may hang out with artistic types, or be one yourself. The feminine, in all of its aspects: fashion, beauty, style, etc., is your cup of tea. You love people and working with the public.

*Moon Sextile Venus (orb: 02 40')*

You dote on responsibility, and love to bring order and discipline to anything (or anyone) you are involved with. You wouldn't be caught dead in an extravagant display, not because you are a cheapskate, but because of your natural love of thrift and economy. Family and loved ones get first class care and service. Others will value you for these qualities. You probably love to work.

*Venus Conjunction Saturn (orb: 04 03')*

You really know how to pace yourself and seldom waste a moment or a move. It would be difficult for you not to be a success at anything you choose to do. Career problems seldom last long or prove very difficult. Others remark on your creative energy, great drive, and the fact that you never seem to let up. It all runs so smoothly. You may be moved to work with the law, publishing, education -- any field where you have an opportunity to guide and educate others.

*Mars Conjunction Jupiter (orb: 05 34')*

You are, from time to time, really inspired to the point of moving others with your enthusiasms. You exercise an almost hypnotic quality over those who listen in when your imagination takes over. Dreams, psychology, and all things occult and metaphysical are your especial province. You're never afraid to take the plunge when matters of idealism or imagination come to the fore. You feel and experience the unity of life -- that we are all in some way, one. Others sense this about you.

*Mars Conjunction Neptune (orb: 06 03')*

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes

you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

*Sun Conjunction Mercury (orb: 08 31')*

You have a knack for coming up with just what the crowd wants. You are nothing else if not an original. You can take an ordinary event and turn it into something brand new, really special. You may have had a somewhat unusual upbringing, and you like a partner who is independent and also a bit unusual. Things are seldom boring with you, for you always have just the right idea of what to do.

*Moon Trine Uranus (orb: 09 25')*

## Report for Yoko Ono

### Challenges in your relationships

You are a real dreamer but can't always manage to put your vision into words. You may occasionally be accused of cloudy thinking and of letting your imagination run wild. There is a likelihood that you frequently get yourself into situations in which you are disappointed, or disappoint others. Some clear thinking on your part could prevent others from getting the feeling that you are intentionally misleading them. You may have trouble paying attention, keeping your mind on what you are doing.

*Mercury Opposition Neptune (orb: 01 11')*

You may choose to pursue a dreamy idealism at the expense of more mundane concerns. Somehow you always manage to pit your ideals against the actual reality of the situation. Is it escapism or vision? Probably some of both. You will need a partner who can bring things into focus without shattering your gentle dream world. There may have been some rather harsh realities connected to your upbringing. You may find yourself putting the feminine principle on a pedestal.

*Moon Square Neptune (orb: 02 03')*

You don't always say just what you mean. For that matter, you may sometimes not even know how you feel about something. You tend to envy people who can always put their finger on how they feel. It can be hard for you to talk about your feelings. Any partner will have to understand this about you. Are you often moody? Yes, probably.

*Moon Square Mercury (orb: 03 14')*

It may have been hard to get emotional support over the years, and your temper has not always been a help to you. You have had to work a lot of problems out for yourself. While you do have a lot of motivation and energy, often there is some difficulty in getting it channeled in useful directions. Sometimes you feel that others don't like you. You require a partner that can give you lots of emotional support. There could be a basic ambivalence with your mother, or with women in general. You may not feel like working.

*Moon Square Mars (orb: 03 60')*

You really put a lot of feeling in what you say. Others sense in you high energy and a certain tension that's always there. You have a quick mind, an even sharper tongue, and God help anyone who is foolish enough to try arguing with you. You tend toward impatience and irritability. Those who are close to you know that you often bitterly regret what you may blurt out in an instant.

*Mercury Opposition Mars (orb: 07 14')*

You may have to cut your own way when it comes to a career, for you may not always get the kind of support you need from others. The result may be that you end up with a very unusual vocation. Probably not much interested in

working with the public, either. Your partner will have to understand that you are not likely to follow the crowd, and be willing to let you find your own way. Getting things started and off the ground may be harder for you than for most.

*Moon Square Jupiter (orb: 09 34')*

You may have a fear of taking the plunge, letting go. Perhaps you are hesitant to trust your vision or your dreams, lest they overpower your day-to-day routine. As for relationships, you tend to worry about being deceived. There is tension present as to just how much you dare trust your more mystical side. Perhaps you have been disappointed by authority figures, more due to your over-idealizing them than to their own faults.

*Sun Opposition Neptune (orb: 09 42')*

## Report for Yoko Ono Your Relationship with John Lennon

You knew from the moment you met him that here was a person who couldn't help but be supportive to you. He approves of almost everything about you. At times this could get a touch claustrophobic, but if you need a boost, here is a good partner. Because he is so indiscriminating, the temptation is to add him to your fan club, which negates the value of this support. Everyone enjoys being a hero once in a while.

*His Moon in Your First House*

John is, above all, very supportive. If you have been looking for a genuine response to your special qualities, this should be it. Upon meeting him, you felt an instant trust and enjoyed a rare sense of security. He responds to you with warmth and appreciates who you are. It's the next best thing to having a mother! he may have a beneficial effect on your finances and resources too. He has a real instinct for handling money. In addition, other financial benefits may come to you through John.

*His Sun in Your Second House*

He becomes very articulate when it comes to matters concerning your finances, resources, and possessions in general. You feel that he truly is concerned with what is best and most productive for you. Here is someone you can really talk to about subjects that most might find dull and unexciting. You find his suggestions to the point and almost always productive. You might like to take him on as a business partner just for his financial insight.

*His Mercury in Your Second House*

It's not everyone that can have the side-effect of making us feel a little saintlike. This does happen when the two of you get together. He manages to find qualities in you like self-sacrifice and forgiveness that you may have overlooked in yourself. In John's "light" your better qualities get exposed. He appreciates your more dreamy and psychological side too. There is a lot of silent rapport there.

*His Venus in Your Twelfth House*

John is nothing else if not stimulating, and he may be downright challenging or irritating at times. It all depends on what mood you're in. If you need a boost, a little competition, then he is tailor-made for the job. If things are already hectic, then you may not enjoy the ride. There is the potential here for a good sexual relationship too.

*His Mars in Your First House*

The two of you relate very directly with one another. He may have led the way in this regard. There are no secrets between you. All of the superficial is quickly brushed aside, and words are not always needed between you. There is a strong passionate or sensual side to this relationship. John could be an excellent

business partner for you. He has good sense and a nose for what counts and is worthwhile.

*His Jupiter in Your Eighth House*

It may be hard to get personal with John, and this may be a toughy if you're thinking about romance. You may feel tied down and unable to work efficiently or profitably. You may lose sight of what is essential in any personal or business venture. You could accumulate debt. Not a traditional sign for a good business relationship.

*His Saturn in Your Eighth House*

John is very direct. He seems to cut to the very heart of a situation, which sometimes leaves you feeling exposed and vulnerable. Yet time spent with him can be terribly exciting. You find yourself wanting to get rid of a lot of excess social baggage when you two are together. You may tend to spend a lot of time alone due to the very sensitive and open relationship you share. He may be able to lead you into making some very shrewd and innovative business deals.

*His Uranus in Your Eighth House*

This relationship is potentially a very useful one. Through John you get a real sense of self-sacrifice and working for the benefit of all mankind. You may be swept up in an almost dreamlike state, able to be very forgiving and understanding. You may feel a little saintlike. On the down side, the whole thing can find you carried away to the point of neglecting the realities of life. You might give all your possessions away. Who knows if that would be a good or a bad thing?

*His Neptune in Your Twelfth House*

John exercises a very powerful influence over you, one that could change your career. Here is someone who knows more about what you ought to be doing with your life and career than you do, and he is not afraid to let you know about it. From the first time you met, he probably jumped right into your business and started making suggestions -- and they were right on the money. The net result is that you may go through a major transformation as to what you do with your life through knowing him.

*His Pluto in Your Tenth House*

### Challenges in your relationship with John Lennon

He may not always think highly of you and is not afraid to let you know when this is the case. You may sometimes tend to discount what he says and squelch communication. You don't always like what he thinks.

*Your Sun Square His Mercury (orb: 01 23')*

He may have a tendency to throw cold water on your enthusiasms and hurt your feelings. You may not take his problems seriously enough to suit him, and he may tend to restrict your natural sense of love and appreciation. There is cold-war tension to this relationship.

*Your Venus Square His Saturn (orb: 02 09')*

Romance aside, this is not a good combination for any business relationship. You are not very appreciative of his decision-making, and you probably seldom take his advice when it comes to career decisions. He may persevere against your best wishes, with the result that he may tend to overdue, overspend, and get carried away.

*Your Venus Square His Jupiter (orb: 02 43')*

You never know what to expect with John. His need for variety and the unusual may conflict with your own more conservative trends. He may tend to be a rebel, with you always playing the authority figure. Sometimes hectic; seldom boring.

*Your Sun Square His Uranus (orb: 04 33')*

You may not like many things about John, and he may feel that you refuse to give him credit or to recognize his values and ideas. He has a way of going on, with or without your approval. There is a kind of stalemate.

*Your Venus Square His Sun (orb: 06 38')*

There may be some hurt feelings on John's part because he feels unappreciated by you. You don't always give him the credit that he feels he is due. He may refuse to give you the kind of support and nurturing that you're looking for. You both tend to be at loggerheads over this.
