Astrological Compatibility

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years. This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship. Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

Report for Paul Newman

How You Approach Relationships

Who would expect from your dignified and staid manner that you require so much mothering from a partner? Your natural business sense and conservative nature in general might point to your hooking up with a real no-nonsense and even cool type. Not the case. You are attracted by feeling and emotional types, and a good strong display of emotion never put you off, although you may prefer it in the privacy of your home. You find it hard to be demonstrative, yet you love to be cared for and even babied.

Cancer on 7th Cusp

You need lots of love and attention, and you don't mind being mothered a bit, either. You like partners who are emotionally sensitive, supportive, and nurturing. A bit of mothering goes a long way with you.

Moon Ruler of 7th

If there is one area of your life where you really let yourself go, it's relationships. For you, there is none of this 9-to-5 stuff when it comes to love. You want your love life full of dreams and very imaginative. You have a calming effect on your social group, which tends to include friends capable of joining you in your high flights of fancy. Need we say that you are a dreamer, and by the same token you might slip into gullibility and lose more than one possible partner through woolly-mindedness on your part. Not everyone is as out-of-this-world as you are. You love to take in a movie with friends and lose yourself in unusual conversation. You are drawn to film, theatre, and fantasy, as well as the occult.

Neptune in 7th House

Report for Paul Newman Strengths in your relationships

You can't help but think in an organized way, and you are a stickler for routine. You love it. You probably have a scientific bent, for your analytical abilities are first rate. You love first principles and getting down to the bare bones of a subject. Mathematics and all things technological are a snap for you. You have great mental endurance and probably have done more than your share of studying. So serious.

Mercury Sextile Saturn (orb: 00 23')

You dote on responsibility, and love to bring order and discipline to anything (or anyone) you are involved with. You wouldn't be caught dead in an extravagant display, not because you are a cheapskate, but because of your natural love of thrift and economy. Family and loved ones get first class care and service. Others will value you for these qualities. You probably love to work.

Venus Sextile Saturn (orb: 00 42')

You love to talk and write, and you probably do so beautifully. Your sense of color, harmony, manners, and all that is artistic, is beyond reproach. You know quality, and people love to let you pick out art or arrange color schemes for them.

Mercury Conjunction Venus (orb: 01 06')

You are, from time to time, really inspired to the point of moving others with your enthusiasms. You exercise an almost hypnotic quality over those who listen in when your imagination takes over. Dreams, psychology, and all things occult and metaphysical are your especial province. You're never afraid to take the plunge when matters of idealism or imagination come to the fore. You feel and experience the unity of life -- that we are all in some way, one. Others sense this about you.

Mars Trine Neptune (orb: 02 01')

You are a great problem-solver, and can always think of a way to do almost anything. Your friends know you to be fair, and your integrity is unquestionable. You may find yourself interested in legal matters, publishing, philosophical and religious subjects, and would make a good teacher or instructor. Scientific investigation would interest you.

Mercury Conjunction Jupiter (orb: 04 27')

You value independence in others, especially a lover. They must have some unique quality for you to take an interest. Your taste in friends runs to the unconventional. You appreciate variety in all things and are delighted when a partner comes up with a new and different way to get your attention. You don't like to be tied down. You probably have a penchant for inventions, electronics, and new-age technology.

Venus Sextile Uranus (orb: 04 39')

Good things tend to come your way, and you could end up with a lot of money, property -- possessions of all kinds. You are by nature generous, and probably give as much as you get. There could be a love of travel and exploring, finding your own way through life. You tend to appreciate authority, your elders, and conservative values. Others will value you for your warmth and openness. You are quite fortunate.

Venus Conjunction Jupiter (orb: 05 33')

Report for Paul Newman Challenges in your relationships

You may have a tendency to poke your nose into others' business. You can't resist, and yet you're often afraid of what you'll find. Skeletons in the closet and sensitive areas of people's lives both fascinate and terrify you. You have trouble just coming right out and dealing with a touchy subject. It puts you through too many changes. You would rather snoop around.

Mercury Opposition Pluto (orb: 01 17')

Power struggles are no stranger to you. You tend to put off confrontations until they build up and then explode, kind of like having your own built-in volcano. You probably have considerable emotional tension and a strong sexual drive. Your flair for secrecy could find you with more than one lover, several affairs.

Venus Opposition Pluto (orb: 02 23')

Often, through no fault of your own, you find yourself at odds with authority, the law, and conventions in general. Maintaining a good self-image may be difficult. There is a tendency to leave things unfinished, or to not do a thorough job. Success for you comes thru hard and precise work. You need a partner who will work with you while you find your own way.

Sun Square Saturn (orb: 07 40')

Report for Paul Newman **Your Relationship with Joanne Woodward**

You knew from the moment you met her that here was a person who couldn't help but be supportive to you. She approves of almost everything about you. At times this could get a touch claustrophobic, but if you need a boost, here is a good partner. Because she is so indiscriminating, the temptation is to add her to your fan club, which negates the value of this support. Everyone enjoys being a hero once in a while.

Her Moon in Your First House

Joanne is, above all, very supportive. If you have been looking for a genuine response to your special qualities, this should be it. Upon meeting her, you felt an instant trust and enjoyed a rare sense of security. She responds to you with warmth and appreciates who you are. It's the next best thing to having a mother! she may have a beneficial effect on your finances and resources too. She has a real instinct for handling money. In addition, other financial benefits may come to you through Joanne.

Her Sun in Your Second House

You like the way she thinks. Meeting her was probably easy, and you were able to talk right from the start. You find that she likes to talk about you and how you are, without your having to feel vain or egocentric. You enjoy this. Others may tend to see you as two of a kind, as much friends as lovers. There is a real potential for partnership here. Since the communication lines are always open, you could team up on a project involving speaking or writing -- something intellectual.

Her Mercury in Your First House

She feels that you are special and seeks to encourage you. You both share a sense of value and worth, and she probably appreciates your position in life and possibly your resources. She will want to give anything she can to help you, and this could take the form of gifts, monetary support, etc. She knows the value of money and will always seek to strengthen and multiply any resources you may have. There is a sense of shared values.

Her Venus in Your Second House

Joanne is nothing else if not stimulating, and she may be downright challenging or irritating at times. It all depends on what mood you're in. If you need a boost, a little competition, then she is tailor-made for the job. If things are already hectic, then you may not enjoy the ride. There is the potential here for a good sexual relationship too.

Her Mars in Your First House

Joanne tends to lead you out of yourself, and urges you to make greater efforts, to reach out and express yourself. You may overdo. Certainly she is a key person as regarding how you view and feel about yourself. Through her you

have come to experience more confidence and happiness. You are proud to be with her and, most of all, she is just fun to be with. Children and animals are two things you share. There may be a tendency to spend all at once. You feel creative and artistic around her.

Her Jupiter in Your Fifth House

She seems to be very hard on your sense of altruism. Your attempts to be charitable or to sacrifice may be played down or belittled by her. She won't tolerate your feeling sorry for yourself or for the state of the world. It could be difficult for you to feel philanthropic or kind when the two of you are together.

Her Saturn in Your Twelfth House

Communication with Joanne is stimulating and full of brainstorming and flashes of insight. She is an original thinker and always has a way to get a new slant on old problems. Her influence could affect anything you do in the way of thinking, speaking, writing, electronics, technology -- communications in general.

Her Uranus in Your Third House

There is a definite sense of mystery about Joanne. When the two of you are alone you get very close, exploring psychology and sinking into dreamy states that you can't find with others. Aside from the sensual aspects -- which should be very strong -- there is a sense of being initiated, of getting past some barrier, getting down to the real stuff. You feel so open with her, and she with you. Unless you are very careful, this is probably not the best relationship for business or financial matters.

Her Neptune in Your Eighth House

Joanne's influence could revolutionize the way you relate to other people -- your social life. You have found yourself re-examining ideas of marriage, social values, and relationships. She seems to exercise a strange power over you, and this was true from the very first time you met her. You may find yourself wanting to hide this relationship because you feel exposed. She is almost too personal at times. Knowing her amounts to a crash course in facing yourself.

Her Pluto in Your Seventh House

Report for Paul Newman

Challenges in your relationship with Joanne Woodward

You won't support what you feel are unrealistic notions and fantasies on her part. Her escapism does nothing for you. You feel she should learn to be more down to earth and practical. There can be much disappointment, and possibly deception, with this combination.

Your Moon Opposition Her Neptune (orb: 00 24')

You can't appreciate her continual need for self-analysis and confrontation. She never seems happy unless she has reduced every meeting to its lowest common denominator. She may go against all that you hold dear, and drag you through scene after scene. A problem.

Your Venus Opposition Her Pluto (orb: 03 15')

Her unconventional manner may irritate you. You may feel she is just being different for the sake of being different. There could be sharp words between you, or you may find it fruitless to discuss certain subjects with her.

Your Mercury Square Her Uranus (orb: 03 49')

There may be some problems due to a lack of communication. There is an unwillingness on your part to discuss Joanne's changes (what she is going through). You may prefer not to comment on sensitive issues, instead of the constant rehash. The resulting confrontations may be hectic and intense.

Your Mercury Opposition Her Pluto (orb: 04 20')

You may not appreciate her sense of independence, always having to do something different and unusual. You don't like surprises. It may go against your own set of values and thus be a cause for dissension.

Your Venus Square Her Uranus (orb: 04 55')

Joanne may feel that she doesn't have your support when it comes to matters of career and life direction. There may be hard feelings. You may find the decisions she makes upsetting to you emotionally. Her basic philosophy of life can sometimes be at odds with the way you are feeling.

Your Moon Square Her Jupiter (orb: 05 54')

Power struggles are likely, as well as harsh feelings. Your drive and ambition may tend to ignore her need for confrontation and analysis. You may refuse to face sensitive issues. This is a very emotional, and possibly explosive, relationship.

Moon Ruler of 7th

You depend on your relationships to learn about yourself. You tend to be intense and confrontive, and love to strip away the social amenities in a group situation and get down to the nitty-gritty. Others find you passionate and always interested in sensitive issues -- skeletons in the closet, and the like.

Pluto in 7th House

Report for Joanne Woodward Strengths in your relationships

A real love of science and natural laws. You are a hard and tireless worker with absolute determination and the ability to carry great projects through to completion. Always the protector to all those you come to know, you tend to have long and secure relationships. Since you are a natural conservative, those older than yourself (authority figures) tend to benefit you.

Sun Sextile Saturn (orb: 01 37')

When it comes to self-expression, you are a natural and can always put what you feel into words. Your mind is quick and tends not to get bogged down in emotional issues. You would do well in any of the communication fields, and are an excellent speaker. People find it easy to get a sense for a subject when you put it into words. You write well.

Mercury Conjunction Mars (orb: 01 44')

You dote on responsibility, and love to bring order and discipline to anything (or anyone) you are involved with. You wouldn't be caught dead in an extravagant display, not because you are a cheapskate, but because of your natural love of thrift and economy. Family and loved ones get first class care and service. Others will value you for these qualities. You probably love to work.

Venus Sextile Saturn (orb: 03 25')

A passionate one. You love it when a crisis emerges and threatens to shatter the normal routine, because you yearn for a chance to undergo really profound changes. You're like the survivalists who wish the world would stop pretending and get down to the nitty-gritty. Fiercely loyal, you would rather see a relationship through hell and high water than abandon it. You delight in emotional confrontation, intense conversations, and secrets of all kinds.

Venus Trine Pluto (orb: 04 34')

An original thinker, perhaps an inventor. You have a very sharp mind, capable of real insight. You are always thinking of new ways to do things or a new use for something. You are great at finding solutions for existing problems where others have run out of ideas. Almost anything can be turned to an advantage, once you put your mind to it. Communication of all kinds, especially computers, electronics, and the new technology, is right up your alley.

Mercury Sextile Uranus (orb: 04 48')

You tend to like partners that are authority figures, perhaps older, or dignified, in one way. You are warm, appreciative, and tend to lavish affection on those you can look up to and respect in some way.

Sun Conjunction Venus (orb: 05 01')

You are a great problem-solver, and can always think of a way to do almost anything. Your friends know you to be fair, and your integrity is unquestionable.

You may find yourself interested in legal matters, publishing, philosophical and religious subjects, and would make a good teacher or instructor. Scientific investigation would interest you.

Mercury Trine Jupiter (orb: 06 45')

You are attractive and tend to be physically active. You just might participate in or manage some athletic endeavor. You are in tune with your feelings and really know how to play a crowd for the maximum response. You can always count on support from those around you. You seldom hide how you feel and therefore are no stranger to an occasional argument. You probably got a lot of emotional support as a child, especially from your mother.

Moon Conjunction Mars (orb: 08 51')

You manage to cram many lifetimes into one, for it seems like you're always being reborn and starting life over again. Others may have a hard time keeping up with your changes. You do well in face-to-face and gut-level situations that would exhaust most people. You really come into your own when the going gets tough or when it's time to "get down" and face facts. Good leadership potential for emergency situations

Sun Trine Pluto (orb: 09 36')

Report for Joanne Woodward Challenges in your relationships

You have a tendency, or perhaps a knack, for ignoring good advice. More than once you have found yourself at odds with the correct, or prescribed, way of doing things. This could manifest in a problem with authority figures. For example, you may tend to disregard the suggestions of an authority figure, perhaps your father. You have trouble doing just a little, and tend to be extravagant.

Sun Square Jupiter (orb: 00 30')

The last of the big spenders! You are by no means conservative, and overindulgence of all kinds is sort of second nature. You tend to ignore the realities of life in favor of the perks. This may bring you hard up against natural or human law, again and again. No one can accuse you of lacking ambition. The straight and narrow is unappealing to you. You would rather range along the fringe. A nonconformist.

Venus Square Jupiter (orb: 05 31')

You may have a fear of taking the plunge, letting go. Perhaps you are hesitant to trust your vision or your dreams, lest they overpower your day-to-day routine. As for relationships, you tend to worry about being deceived. There is tension present as to just how much you dare trust your more mystical side. Perhaps you have been disappointed by authority figures, more due to your over-idealizing them than to their own faults.

Sun Opposition Neptune (orb: 06 00')

You may choose to pursue a dreamy idealism at the expense of more mundane concerns. Somehow you always manage to pit your ideals against the actual reality of the situation. Is it escapism or vision? Probably some of both. You will need a partner who can bring things into focus without shattering your gentle dream world. There may have been some rather harsh realities connected to your upbringing. You may find yourself putting the feminine principle on a pedestal.

Moon Opposition Neptune (orb: 07 11')

Report for Joanne Woodward Your Relationship with Paul Newman

You can benefit a lot from the support of this person. If you stop and think about it, you couldn't imagine a much more perfect response from the cosmos to yourself than you find in Paul. For one, he is almost totally supportive of you, warts and all. And there is every reason to believe that he could aid you financially, as well as romantically. Good things could happen with and through him. Here is a real opportunity for you to take hold and develop your resources. This is fertile soil for many things.

His Moon in Your Second House

Your meeting Paul was exciting and action oriented. In many ways, you are two of a kind. Chances are that you identified with him at once. After all, he is very much like yourself -- like looking in a mirror. Just the person to draw you out of yourself and get you doing things. He may have brought a sense of adventure and risk into your life. You found yourself doing things with him, daring to live, and making a statement. You found yourself really coming across with him, being all that you can be. As corny as this sounds, the world has really been more responsive to you since you met Paul.

His Sun in Your First House

You like the way he thinks. Meeting him was probably easy, and you were able to talk right from the start. You find that he likes to talk about you and how you are, without your having to feel vain or egocentric. You enjoy this. Others may tend to see you as two of a kind, as much friends as lovers. There is a real potential for partnership here. Since the communication lines are always open, you could team up on a project involving speaking or writing -- something intellectual.

His Mercury in Your First House

You find him absolutely charming, partly because you know that he really appreciates you. This was true from the first time you met. You have the sense that here is someone who likes you for the same reasons that you like yourself. You can almost do no wrong. You share many of the same values, like the same kind of things, and enjoy each other's company.

His Venus in Your First House

Paul is quite direct and may tend to come on strong, even to the point of aggressiveness. Or, he may evoke a strong verbal response on your part. Whatever the effect, you will find that interchange with him has the result of moving you to think and to have new ideas. Communication will be brisk and may involve lots of emotion. You could find all of this refreshing, inspiring, and just what you need to set you going on some project involving writing or communication.

His Mars in Your Third House

He will have a very strong psychological effect on you, particularly in regard to the way you live your personal life. High ideals and humanitarian sentiments are fine, but Paul has the ability to lead you to putting these thoughts to work on a day-to-day level. Through him you may learn how to really forgive one another, how to let barbs and harsh words roll off your back. He can put you in touch with goals more important than money or recognition -- internal happiness and self-respect.

His Jupiter in Your Twelfth House

He may help to crystalize your career goals. His no-nonsense approach could make or break you. He has a natural sense of authority that you respect and might confuse with a parental figure. If you need discipline in career direction, good. If not, you may find this relationship disappointing and even depressing. You will always get good advice, perhaps not warmth and appreciation.

His Saturn in Your Tenth House

Paul has an unusual, original, way of appreciating or caring for you. The way he shows affection is different, and this could make for an interesting love life. Or he might introduce you to alternative ways of financing or making money. His ideas on handling your resources and providing for yourself may be just the ticket. Whatever else, they won't be just more of the same.

His Uranus in Your Second House

There is a definite sense of mystery about Paul. When the two of you are alone you get very close, exploring psychology and sinking into dreamy states that you can't find with others. Aside from the sensual aspects -- which should be very strong -- there is a sense of being initiated, of getting past some barrier, getting down to the real stuff. You feel so open with him, and he with you. Unless you are very careful, this is probably not the best relationship for business or financial matters.

His Neptune in Your Eighth House

Paul's influence could revolutionize the way you relate to other people -- your social life. You have found yourself re-examining ideas of marriage, social values, and relationships. He seems to exercise a strange power over you, and this was true from the very first time you met him. You may find yourself wanting to hide this relationship because you feel exposed. He is almost too personal at times. Knowing him amounts to a crash course in facing yourself.

Your Sun Trine His Pluto (orb: 03 58')

Aside from any romance, this could result in a sound business relationship. You value Paul's judgment and, more often than not, tend to let him act as your guide in matters of career and direction. He knows you appreciate his abilities, and this combination should be an enduring one.

This could be a real working relationship. Paul has an organizing effect on you, and brings discipline and good sense to any project the two of you engage in. Although somewhat cool and conservative, this has every sign of being a very durable relationship.

Report for Joanne Woodward Challenges in your relationship with Paul Newman

He is critical of your ideas, and you may feel somewhat tongue-tied when you are around him. He may feel that you refuse to consider his problems or that you dismiss them with a few words.

Your Mercury Square His Saturn (orb: 00 36')

You may feel that his attempts to discipline you are ineffective at best. Throwing cold water on your enthusiasms has never done much for you. You may delight in shattering his neat little universe from time to time. You feel repressed by him.

Your Mars Square His Saturn (orb: 02 20')

You won't support what you feel are unrealistic notions and fantasies on his part. His escapism does nothing for you. You feel he should learn to be more down to earth and practical. There can be much disappointment, and possibly deception, with this combination.

Your Moon Opposition His Neptune (orb: 03 15')

You may feel that Paul is a hopeless dreamer, and you may refuse to get behind what you term escapism on his part. Your own ambitions run counter to his own sense of mystery and idealism. He may disappoint or deceive you.

Your Mars Opposition His Neptune (orb: 05 36')

Problems could arise from Paul's feeling that you have no sympathy for his dreams and ideals -- his more imaginative side. Perhaps you just refuse to discuss these aspects of life with him. Whatever happens, it makes for some disappointing situations. You may not be able to think clearly when you are together.
